

The 2015 Racin' in Mason 5K Run/Walk Summer Classic With a 1K Kids Fun Run & Chasin' in Mason One Mile Zombie Run

Dear Mason Cross Country / Track and Field Families,

The Mason Cross Country/Track & Field Boosters are starting our annual fund raising campaign to support Mason School's Cross Country (CC) / Track & Field (T&F) programs on Saturday, July 25th at Pine Hill Park in Mason, Ohio. This year we anticipate more than 800 participants!

With your generous support in years past, Mason Comet's Boys' CC team won the 2014 Ohio State Championship and the Girls' CC team finished as State Runner Up! Track & Field has an equally impressive State record with 4 events making it to the Podium in 2014. This year, the Boys' and Girls' teams have repeated their District titles and are well on their way to Regional and State level success! These Comet programs thrive by developing our middle school teams, which have more than 200 participants. In addition, the Mason Cross Country/Track & Field Boosters support the Mason Track Club for elementary school kids.

The Mason High School and Middle School running programs continue to face significant financial challenges due to school funding limitations. While the number of student participants in these sports has more than doubled in recent years, the school's budget has not. As a result, the additional coaches required to adequately supervise our very large teams, as well as the uniforms and specialized equipment (i.e., pole vaults, hurdles, etc.) needed to support the athletes, has grown beyond the means of the school's financial support. Our nonprofit Booster organization raises money to cover these additional expenses to run a successful program. Racin' in Mason is our annual fundraising event with the proceeds to help cover some of these expenses.

Here is where we need your help!

- Open the Google Doc (link below) showing the Northeast Cincinnati Chamber of Commerce membership
- If you have a contact at one of these businesses, please call to see if they would be interested in Sponsorship
 - Then fill in columns D, E & F with the information
- If you do not have a contact at one of these businesses, please feel free to call or visit the company to ask for their Sponsorship
 - To prevent numerous calls to the same business, please open the link and populate columns D, E & F with the information
- If your family would like to make a donation, please fill out Sponsor information handout (on <http://runmason.com/> website)
