

January 12, 2016 Email

Dear Ashbee Families!

We have a lot going on - this email will be chock full of important information. We will save it to our **Documents and Emails** tab for your reference.

First, thank you to the nearly 100 families who came to our Open House last Saturday. If you missed it you can find the handouts that were provided about each of our programs on our webpage under the **Documents and Emails** tab on the left side of our home page.

Uniforms

At the event we had the opportunity for players to try on sample uniforms. If you missed this, please note that we found that the jerseys were running a little small and the shorts were running true to size (and they have a drawstring). The plan is for your player to wear this uniform (especially the jersey) for at least three years, so, if you would like to make a modification to the size, please do so before **FEBRUARY 5th**. If you need help doing this, you can also just email us at ashbeelaxemail@gmail.com and we will make the changes for you.

As a reminder, all players in our program, from Clinic to Travel will wear the same uniform; therefore it is important that all players who are in the age group for travel 3/4th grade (if you are planning to tryout for the travel team) through 8th grade, register no later than **February 5th**. We will be ordering uniforms at that time to ensure delivery for the travel season. After that date, a late fee of \$25.00 will be assessed to all travel registrations.

Players who are interested in Clinic/House will have until **February 19th** to register without a late fee.

Team Store

We have opened two team stores for Ashbee Apparel and an Equipment Store. These stores will be open until January 25th only to ensure delivery for the end of February. This is fun swag for the players, and you have the ability to buy extra game shorts, shooting shirts, sweatshirts, socks and bucket hats. The equipment store is an excellent source for well priced starter packages for new players.

The link to the stores is:

<http://www.bsnsports.com/mts>

The Access code for the Apparel Store is: **lacros3ET**

The Access code for the Gear Store is: **lacros5JQ**

Registration

We strictly limit the number of players in our travel programs to ensure that all players get good coaching and playing time. We have less than 5 spots open at the 7/8th grade level and less than 10 at the 5/6th grade level. Once we are full, we will have to waitlist players.

There remains plenty of space in our house and clinic programs. Go to **Register for Programs** to register.

Volunteers

We need volunteers, but the rules have changed significantly for volunteering. If you are interested in helping out with coaching, you will need to have all the proper clearances before you can step on a field. We have added detailed directions on the process and some associated forms on our website. Please go to the **Documents and Email tab** for information on the process. If you would like to be a team manager, this is not required. If you have raised your hand to volunteer, could you please send us one more email to say "Yes, I want to volunteer" and in which capacity? We want to help you get started on the clearance process - ASAP. Just email ashbeelaxemail@gmail.com

Boot Camp for Travel Teams

Save the date for our bootcamps for all players interested in Travel Teams. The dates and times for each age group can be found in the **Calendar** Tab at the top of our home page. Boot Camp will take place at the Proving Grounds in Conshohocken. The address is 707 Conshohocken Rd, Conshohocken, PA 19428. There is detail regarding the Boot Camp in the handouts that can be found on the **Documents and Emails** page.

Thank you! I know this is a lot to consume, but it's coming up quickly - and the kids were very excited on Saturday!
