All,

Note e-mails and meeting minutes are added to the web site for easy access in the documentation section and future reference.

1) The meeting is as per the the Feb 22 e-mail: 7 Pm march 7th. The clarification is the location of ... The meeting will be held in the Minsink intermediate school "A" gym, the address is 2320 Route 6, Middletown, NY, 10940. *The gym entrance is located at the back of the school and overlooks the tennis courts and large field.*

2) *If you are adding field please send me the field information so I can add it as available in the web site for scheduling.*

3) *As far and the K-2 go. Minsink will be holding a Jamboree (Boys and Gilrs) on June 2nd. CBYL looks like they would be holding a Jamboree on 5/20 (need clarification if both). VC said they would host, need date. We can add these teams so they can be scheduled, but they haven't been because of no referees..... we just need to decide. We can get a answer Wednesday.*

4) We will need a club to step up an get a date they can host the July Wrap up meeting so I can add it to the schedule.

5) Reminder: I do not want to do any of this and if anyone wants to have it please feel free. Otherwise my scope of works so long as I'm doing this under protest is...

a) Schedule Meeting per previous schedule 4 meetings Pre season, sceduling, rules, post season.

b) Open/help with game imports

Thanks,

Burger
