UNIFORM EQUIPMENT AND RESPONSIBILITY

All athletes participating within the St. Edith CYO program are expected to use proper care when handling assigned uniforms and equipment. It is based upon the replacement cost of the item(s) in question. This restitution must be made prior to the student athlete participating in any future St. Edith CYO sponsored athletic activity, or in the case an eighth grade student athlete, any award or special recognition owed them. Hopefully all involved understand that this is only a financial issue that is necessary to keep St. Edith CYO annual uniform and equipment costs at a minimum, therefore keeping participation costs also at a minimum.

Signature of Student Athlete and Parents/Guardians indicate they have read, understood, and agree to the above.
