### **We start with a prayer at 4:15!**

Please be on time to be assigned to a duty prior to your shift. Coaches need to supervise their players and make sure they are doing what they need to do. We ask that everyone make an effort to show up on time for his or her shift or to find a replacement. If EVERY PLAYER brings one adult, we will have adequate coverage resulting in a smooth running operation. The second shift stays until a hall and kitchen clean-up and breakdown is finished. Thanks for your support.
