

## Field Hockey Booster Club Minutes – October 20, 2009

Attendance: James Hanley, Caterina Pastore, Mary Varga, Kathy Brissenden, Sharon Porch, Martha Passamonte, Linda Gribble, Heather Slavik.

### Items discussed:

1. Banquet – November 9 at 6:30. Need Cafeteria – all 3 bays with podium and speaker system. Jim will reserve the space and may need projector for slide show. We have paper products and will purchase balloons and necessary items for senior gifts. Ideas for future banquets were brainstormed. Coach Hanley would like to see something more special and possibly off school grounds (ie. Pucello's; Canal Walk) and possibly having each level host their own celebration. More ideas will be brainstormed at future meetings.
2. Indoor League – details still being worked out. At this time, it was discussed that it would be open to grades 4 and up, but that will need to be finalized once gym availability and other details are worked out. There will be a flyer once all details are settled. Coach Hanley hopes that, in the future, we could hold indoor tournaments.
3. Fundraisers – we brainstormed a variety of future fundraisers (Little Caesar's Pizza Kits during winter indoor sessions, bee pins, sell popcorn or salt potatoes at Lacrosse Star Spangled Tournament in July, sell local CNY products, indoor league concessions).
4. Bottle Drive – JV and Varsity players have all met, or exceeded, their quota. Approximately 5 modified players left at this time.
5. Heather Slavik has her own consignment shop and has offered to host an ongoing fundraiser where people can donate their clothing and donate their share of the profit to B'Ville Field Hockey. She will make up a flyer for the banquet so that the details are clear as to what type of clothing is accepted etc.
6. Decals will be available for sale at the banquet. Food donations for the Christmas Bureau will be collected at the banquet.
