

Monday Sports Injury Clinic at Texas Children's Hospital West Campus

Created for youth athletes who have sustained injuries from athletic events from the previous week, our Monday after hours clinic offers expert care from pediatric sports medicine specialists at a convenient time and location:

When:

Mondays from August 22 to November 14, 2016
4 p.m. - 6 p.m.
No clinic on September 5th and October 31st

Where:

Texas Children's Hospital West Campus
5th floor in the Orthopedic & Sports Medicine suite
18200 Katy Freeway (I-10 and Barker Cypress)

Treating:

Strains, sprains, fractures and other sports-related injuries

For Whom:

Youth athletes sustaining sports-related injuries from events occurring the previous weekend

How:

Walk in or call 832-227-1172 for appointments or questions. Physicians will see every patient who arrives before 6 p.m. A parent or guardian must be present. Bring insurance information for benefit verification.
