

## **REFUND POLICY**

**REFUNDS:** As a club team, Stratford Girls Lacrosse Club incurs considerable expenses during the year. The expenses include but are not limited to uniforms, balls, equipment, transportation, insurance, trainers, coaches' stipends, league fees, field usage fees, etc. To be in a position to pay these expenses, the club prepares a budget and collects dues from the team members and other donations to cover the budget. Without the dues payments, the club could not cover our budget and field our teams. For this reason, dues paid to the club are non-refundable after the first two weeks of Fall practice. If a player should be injured or physically unable to play as verified by a physician, the Board will consider refunding a portion of your registration dues upon request. Uniforms are not refundable.

### **Board Members**

Scott Schomburg, President

Shawn Hutchins, VP
