

Simsbury Booster Rugby Program Parent to Player Message Info

Dear SHS Rugby Parents,

On behalf of the Simsbury Rugby Booster Club we would like to congratulate your son or daughter for their participation on the Simsbury High School Rugby Boys or Girls team. The Simsbury Rugby Booster Club continues to promote the game of Rugby by supporting the Boys and Girls Rugby teams. We provide financial support for equipment, uniforms, coach and player development, the youth program and help to subsidize team tours. As you may know, both Boys and Girls teams are accredited varsity sports within the Simsbury Athletic Department. The sport continues to grow in popularity with over 100 players on the Boys and Girls teams this year.

In this the team's 10th anniversary at Simsbury High School the Booster club is starting a new tradition and providing a Rugby Sponsorship Program. The Program will provide corporate advertising opportunities, team rosters, schedules and an extended section for rugby rules and FAQ's to help educate our supporters.

Additionally, we are including Parent Message Ads in the Program for parents that want to support the teams and turn the Program into a memorable keepsake. If you are interested in sending a message to a player please complete the following form and hand it in to a coach or email DJMUDANO@gmail.com by **Friday, March 24th**.
