**Great
Fundraising!**

This year, we're partnering with Connecticut's own Munson's Chocolates to raise funds in support of Simsbury Rugby! Here's how it works:

- We have assorted Munson's chocolate bars (milk, dark, crispy, almond)
- We'll be selling the chocolate bars a few different ways:
 - We'll offer them at games
 - We'll ask our players to sell them
 - We'll make them available to any parents who might like to take a box (or two!) to work to share with their co-workers (*no pressure*).
- We earn more than 50% profit on the selling price for each bar!
- Our profits will be used to fund things like equipment, uniforms, etc.

About Player Sales

- Each player will be given five bars to sell for \$2.00 each – a great price!
- Players should sell the bars to friends, family, neighbors -- basically, anyone they know.
- We are not asking players to go door-to-door or to solicit strangers
- Players should turn in their chocolate money to their coach
- If they'd like to sell more, great! Players can request more bars anytime.

Questions?

- If you have any questions, comments or suggestions (or maybe you just want some chocolate), please contact:

Wendy Walsh

Thank you!
(and please buy a Munson's bar)
