

## Simsbury Girls vs. North Haven

### Game Day Notes -5/4/17

The Girls team and their first year head coach, Alycia Washington, are having a strong season, starting off undefeated in their first 3 games against the stronger opponents in their division. They had close wins against both Cheshire and Southington to start the season and came from behind in their 2<sup>nd</sup> matchup against Southington to force a tie. They head into today's game against North Haven with a lot of confidence. North Haven has had a tough season thus far, but give credit to their determination as they look to continue to build their program.

Looking ahead to their remaining games the Trojans are in a good position to remain a top seed as they control their fate. They will have a critical match up on Senior Night, next Thursday 5/11<sup>th</sup> against Cheshire. Cheshire has a higher point differential (the 2<sup>nd</sup> tie breaker), so a win will be essential. In their first game against Cheshire, the Trojans came out on top of a high scoring affair earning the win with 1 more try and 1 more conversion than Cheshire was able to muster, winning 43-36. Come out and salute your seniors next Thursday and expect a great game!

## Simsbury Boys vs. Wilbraham & Monson / Simsbury vs. Fordham

### Game Day Notes -4/29/17

The Boys team is coming off a huge win on the road against a Staples team with multiple All American players looking to secure the last playoff spot. The Trojans scored first and set the tone early taking advantage of Staples errors. We took a 21-8 lead into the half, but were pressed early with a resurgent Staples team that looked to take momentum away early in the 2<sup>nd</sup> half cutting the lead to 21-15. The Trojans responded as did Staples throughout the 2<sup>nd</sup> half. With the game winding down the Trojans had an 8 point lead thanks to Owen Jahne's 5 for 5 night with Conversions. Simsbury finished strong despite having multiple players out with injuries winning 35-20. Jasper Stone capped the day with 2 try's, but it truly was a team win with contributions coming from many players, including a career long run by John Mudano. We won all but 1 of our offensive scrums. The win allowed us to leap frog Staples in the standings for potentially the 4<sup>th</sup> & last playoff spot.

Today's games are non-conference games but are important ones to ensure we stay sharp with Ridgefield on the road next week. A win at Ridgefield next Saturday will likely clinch a playoff spot, with the final conference game with Fairfield Prep looking like an important seeding game, but also with the possibility of it being our ticket to the playoffs.

May 12<sup>th</sup> – Senior Night Boys game against Fairfield Prep.
