

Simsbury Rugby Club Scholarship

The Simsbury Rugby Club is dedicated to fostering an environment that furthers the Boys and Girls rugby teams. One way we do this is to recognize players with a scholarship award.

The Simsbury Rugby Club is awarding two \$350 non-renewable scholarships to a senior boy and girl player. Eligible candidates must have played at least two years on one of the SHS Rugby Teams and be a graduating senior with plans to attend a college, a university, a trade school or apprenticeship, or who is entering the military.

The Goal of the Simsbury Rugby Club Scholarship is to encourage our players to be role models and positively represent their school, their team, their coaches and their fellow players, on the field, in the classroom and in the community. Accordingly, consideration will be given to candidates that have consistently met this goal by demonstrating the following:

1. Consistent effort and teamwork by supporting the rugby program. This is done in practice, on the sidelines, in games and during outside rugby events.
2. Earned respect from their teachers and school officials while demonstrating consistent effort in school.
3. Involvement in community activities and charitable events.

Eligible candidates should:

- Complete the Application and a 300-500 word essay that addresses each of the goals of the Scholarship Award.
- Obtain at least one brief letter of recommendation that supports their community involvement and at least one brief letter of recommendation from a current year teacher. The person providing the recommendation should be given a copy of this Award description.
- Submit the application, essay and letters of recommendations to Coach Mudano (room 217) by 2:30PM on May 15th. Your essay also needs to be submitted to TurnIt In.com by that deadline. TurnItIn Class ID - 17957925, Enrollment key -- jmudano217

Questions can be addressed to Coach Mudano in room 217.
