2010-11 Sponsorship Opportunities

Program Sponsor – help support the girls in the Center Grove community by being a friend of the program and donating an amount that is easy for you and important for us. Your donation will help offset the costs associated with running the league such as gym rentals, officiating costs and equipment costs. Being a **Program Sponsor** only costs you **\$50**.

Team Sponsor – show your support by sponsoring a specific team during one of our leagues and help enable the girls of Center Grove to learn and play in a team oriented league. Your donation will help offset the costs of outfitting a team in one of our leagues with uniforms, practice gear such as cones and practice shirts and helping us purchase basketballs. Being a **Team Sponsor** only costs you **\$200**.

League Sponsor – take advantage of being able to support a Center Grove youth program that stretches through all 5 Elementary schools and both Middle schools by sponsoring one of our leagues. Your donation will help ensure that the girls have ample gym time and that our schools are able to provide us safe and secure space for the girls to participate. Being a **League Sponsor** costs you **\$500**.

All three sponsorship levels will give you the following marketing exposure with our league:

- Prominent mention on the CGGBL website with a link to your businesses website
- Your company logo on a league sponsor t-shirt given to every girl in the league and available for purchase by parents.

Sponsorship Trade-outs – the league also welcomes promotional trade as an added value to our families whose girls participate in the league. Acceptable trade value would be a free kid's meal or a buy one get one free opportunity for your business. Minimal number of coupons or vouchers would be 500 and would be distributed to the families during games or during end of year awards.

Additional sponsorship opportunities do exist! For more information or questions regarding sponsorship opportunities please email president@cggb.com with your contact information and we'll be in touch.
