

Skyline Girls Select Basketball

Player/Parent Concussion and Sudden Cardiac Arrest Awareness Form

The Skyline Girls Select Basketball program believes participation in athletics improves physical fitness, coordination, self-discipline, and gives the player valuable opportunities to important social and life skills.

With this in mind it is important that we do as much as possible to create and maintain an enjoyable and safe environment. As a parent/guardian or player you play a vital role in protecting participants and helping them get the best from the sport.

Player and parental education in this area is crucial, which is the reason for the Concussion Management and Sudden Cardiac Arrest Awareness pamphlet contained on the Skyline Girls Select Basketball website.

This form must be signed annually by the parent/guardian and player prior to participation.

I HAVE RECEIVED, READ AND UNDERSTAND THE INFORMATION PRESENTED IN THE CONCUSSION RECOGNITION AND SUDDEN CARDIAC ARREST AWARENESS PAMPHLET.
