

Spring 2013 Newsletter & Registration

Spring 2013 Newsletter & Registration

I hope this newsletter finds each of you enjoying your winter, and excited for another WHWSC Spring season!

Registration for the Spring 2013 Season for the West Hartford Women's Soccer Club is currently open. As with last season, we have decided to circulate the form electronically (e-mail and web site) only to conserve expenses and trees, so please do not wait for a paper form to arrive in the mail. And PLEASE inform fellow teammates and potential new players that it's time to register. We will again offer two recreational divisions.

Division A is open to women age 21 and over (generally more experienced players, competitive playoff division in the Spring), and Division B is open to women age 25 by April 21st and older (broader range of experience, no playoffs, no slide tackling, open subbing). Please contact the division coordinators to help determine which division is right for you.

In the Spring season, games are played on Saturday or Sunday afternoons, with kick off between 4:30 and 6pm, at Goodrich and Eisenhower fields. The season will begin mid- April (to be confirmed by the West Hartford Field Coordinator) and will end mid-June (assuming usual registration levels). The registration is due March 23, 2013 to allow sufficient time for team placement and ordering of equipment and uniforms. As with prior Spring seasons, the Division A teams will conduct a draft, to take place at the pre-season Board of Directors meeting (date/time TBD). Please note: On the registration form, you will be required to indicate whether you currently have a WHWSC uniform to facilitate taking of inventory. We require a photo to be sent (electronically and mail in forms) along with the registration form, this is to facilitate the creation of player passes which is a CSSA requirement. You will not be able to complete your online registration without submitting a picture. If you are unsure on how to upload a picture electronically please contact any of the board members. Returning players will not need to upload a photo again.

Finally – Don't forget about our pre-season clinics! We are presently working to secure coaches for clinics. Stay tuned! We encourage all new players to attend a spring clinic. Clinic details will be released shortly but typically occur the two weekends prior to the opening of the season. Attending a clinic will help you get a feel for the league and for you to get to know some of the players.

If you have any questions about league play or anything related to WHWSC, please contact me at 860-874-7624, or by email at awrinn19@aol.com

See you soon, Abby
