

# Team Le

June 8<sup>th</sup> 2013 marks the one the year anniversary of the passing of Le-An Flaherty. For those did who did know her, she was a remarkable mother, friend, nurse and teammate who has been greatly missed by all. Since her passing, many have asked what could be done in her memory. With much discussion amongst her teammates and family, one suggestion stood out: a permanent bench in her memory to be placed at the Goodrich soccer fields.

In order to establish this memorial to Le-An, we need to raise some funds. The first fundraiser will occur at the Celebrate West Hartford 5K road race on Sunday, June 9<sup>th</sup>. An active soccer player and runner, Le-An encouraged and supported her friends in numerous road races. With that spirit in mind, the 5 k Road Race in West Hartford seemed an ideal place to start. If you plan to participate (either to run or walk) we are asking for a donation of any denomination in memory of Le-An towards her memorial with the application for the 5 K road race. If you can't join us for the run or walk, you can still donate to the memorial.

I will register everyone together as a team. Attached is the road race application, along with race details. Each participant on LeAn's team must fill this form out and sign it. The road race fee is \$25 per person. *All contributions above that fee will support LeAn's memorial bench.*

To simplify the process, please combine your registration & donation in one check (made payable to Pam Sutula). Please send your registrations to me by June 3. If you miss our deadline, you can still participate on the team -- contact me and I can tell you how to join us.

**Please send all money and applications to:**

**Pam Sutula  
33 Winterset Lane  
West Hartford CT 06117**

**The Road Race event itself offers random prizes and awards for winners in various categories. In addition, we will be having our own prize drawing for members of Team Le. To those who register with Team Le we will have a drawing at the end of the race for two Boston Red Sox Tickets – State Street Pavilion.**

**On race day, please wear something pink in memory of Le. We will meet at Whole Foods on Raymond Road prior to the race. A specific tent will be set up for Team Le.**

**Thank you for considering contributing to Le-An's memory. She is missed by many. Please call me if you have questions: 862-604-5420.**
