Secretary: A motion by Jim Cotton which was second by Randy Drake to accept the minutes of the March 10<sup>th</sup> meeting. All in favor and none opposed.

Registrar– submitted a bill for \$795 in Roster fees. It is important that the players keep the passes with them.

### **3. Director's report:**

Coaching: The opportunity to attend the D license course was amazing. Coach Cotton, Coach Adams and Coach Kozak were allowed to learn many new techniques to help coach this level. These coaches had the opportunity to discuss with other clubs things such as fee structure, player development and best practices to grow the club. An example was given of the Amherst Soccer club the annual fee is \$400 to play and an additional \$300 for rent and facility fees. This includes everything a child needs to play. These coaches have already implemented these skills into the current practices.

### **4. Committee Chairs Report**

Fundraising Chair – none

Apparel Chair- Current Spring Uniforms had been ordered. A committee will meet to discuss uniform options for the fall.

Club Purpose: - Please see attached Club purpose document. The board had a lengthy discussion regarding the document. Main point's u10 will be developmental where we will focus on skills rather than wining. Coaches will be looking for the youth to take risk and show technical skills in the game. For the most part playing time will be distributed equally among players at the u10 level. At the u12 level we will still focus on developing skills however it will be more competitive and playing time will not be distributed equally.

A motion was made by Julie Camacho which was second by Jim Vogler to accept the Parents Code of Conduct. All in favor and none opposed.
