

WHS Volleyball Booster Club
Membership Meeting
March 18, 2013

Call to order: 7:00pm by Co-Presidents Cindy Diekhans and Sue Hamilton

Coach Mills reported on the background of the Volleyball team.

Status of the current 8th graders being allowed on the high school VB team: TBD by the school board.

There will be either 36-38 players, or 48-50 players on the team depending on this decision.

The WHS Volleyball coaches can start coaching the team June 1st.

June 8th: Tournament in La Conner (at La Conner High School): 10 Varsity and 10 Jr. Varsity players will attend

The back gym will be updated this summer: new floor, scoreboard, bleachers and nets will be installed. There will be 2 courts. Next season "C" team games can be held in the back gym. The school, funds from the volleyball budget and the booster club will all be helping with financing this project.

Open Gyms: available to all current students (grade 8-12): Tuesday 2:00-4:30pm and Sunday 7:00-9:00pm. No practice on Easter Sunday. Practice during spring break TBD.

May 20th: participation packets for Volleyball are due (packets are available at the school office or on line) for next year's new and returning players. Be sure to return 3 copies of the concussion form.

To contact Coach Mills: E-mail him, include your phone number and let him know what times he can call you.

Falcon Volleyball Club: purpose

To assist with the finances for the high school volleyball team by supporting coaches, athletes and the school.

Treasurers Report and budget for 2013-2014: please see enclosed information

Motion: to move the current bank account to a bank offering a FREE checking account (no service fees). Approved.

We will also be transferring about \$2400 from the FAB account (from the 2012 and 2013 Sip, Bite and Win events) to the VB account.

For fund raising: if the students do most of the work, the funds need to go through the ASB, for events that are done by the parents, the funds can go directly into our account.

Fund raising ideas: car wash, sponsorships (Coach Mills is looking into this), spirit wear, wine auction, summer volleyball camp. When the final budget is done, these ideas will be investigated.

Patti Gable offered to send out a list of Volleyball Team needs to see if any past or current families would be interested in sponsoring some of them. This will go out in March, with the deadline to donate being April 26th. Families that help will be thanked on our programs.

Motion: Contribute \$1700 check to WHS ASB to help with new net system purchase.
Approved.

In attendance:

Cindy Diekhans, Co-President

Sue Hamilton, Co-President

Mary Hatlen, Treasurer

Patti Gable, Secretary

Lori Wiley
