

Club/Team Meeting 2017

Welcome New and Returning parents.

This is the 2017 Team/Club Meeting Director's expectations of Parents & Coaches:

We are fostering a fun and positive experience. We will model good sportsmanship and team values.

Our expectations for YBA coaches we have high standards for our coaches. He/She will be professional, communicate weekly, be on time, dressed professionally and set an example for your children on and off the court. They have signed a code of conduct and are certified through PCA (Positive Coaching Alliance) and Fingerprinted. Please report any issues immediately to myself or any YBA Coach of any unprofessional behavior we have a coaches committee that enforce appropriate behavior.

Our expectations of parents: When you come to games, cheer for all the kids, not just yours. Please keep your comments positive. **No coaching** from the sideline, **No Yelling** at Referees, Coaches, Parents and Players. If a coach, you or a kid's behavior is unacceptable we will follow the guidelines set forth in the YBA handbook regarding discipline. Our club is striving to be the model of sportsmanship along with being professional and competitive.

YBA has a 24 hour rule: DO NOT approach the coach about playing time, game strategy, positions, game questions until 24 hours after a game. Playing time is coach discretion and requires 24 hours so no emotions are attached with conversations between coach and parent. Protocols have your player talk to coach, Email coach then set up a meeting between the coaches if you need to talk to your coaches about playing time.

YES/NO I understand the expectations as a parent
