

Sponsorship Opportunities

As a local merchant to many of The East Williston Little League (EWLL) community, you have the opportunity to help support one of our local youth organizations. The EWLL is a non-profit organization that provides boys and girls with a chance to play baseball or softball. We present to you several opportunities available to market your organization with us.

1) Team Sponsorship: Your organization will appear on the uniform of one of our teams. You will receive a picture/plaque of your team as a team sponsor.

2) Banner Sponsorship: Your generous sponsorship would be highlighted on a 3'x5' canvas sponsorship banner placed on the fence at one of our ball fields. This two-year agreement will give you signage to all the local residents who visit our ball - parks.
