

Parent Code of Conduct

Mars Youth Lacrosse is proud of the community it has created for our players to have fun learning the game of lacrosse. We recognize that this hasn't happened accidentally. To preserve this positive environment, **we require all of our players, parents and coaches to sign a Code of Conduct**. We expect all individuals participating in Mars Youth Lacrosse to adhere to our Values and to work toward upholding our Code of Conduct.

Values

Mars Youth Lacrosse wants all of its players, parents and coaches to understand and embrace our Values. In order of priority, our Values are as follows:

1. Safety always comes first.
2. Sportsmanship: Exemplary respect for the rules, opponents, officials, teammates, and self is mandatory.
3. Fun! We are here to have fun, but not at the expense of preventable injuries or being discourteous to others.
4. Learning the great sport of lacrosse!
5. Success will be measured by our effort and our improvement. Winning is important, but not at the expense of any of our other Values.
