## Player Divisional Change Approval Form

This form must be completed and signed by the legal guardian of any player requesting to play in a division above that recommended by USA Hockey. League officials, in cooperation with the appropriate division directors and coaches will determine whether it is appropriate for the named player to move up. A FAHA league director, or VP of the appropriate program, must sign this form indicating FAHA's approval for such a divisional change prior to any player being assigned to a team in a division above the USA Hockey designated age division.

Under no circumstances will a player be allowed to participate in a division below their USA Hockey designated age division.

### Player and Parent Section

As the parent/legal guardian of player \_\_\_\_\_, I hereby request said player be placed in the older \_\_\_\_\_ division rather than the \_\_\_\_\_ division where said player would normally be placed using USA Hockey date of birth guidelines. I make this request based upon the players exceptional hockey skills. In making this request I recognize and acknowledge the inherent danger of said player participating in games and practices with older players.
