

FAHA Screening Policy

FAHA shall conduct screening of its volunteers, employees, agents and independent contractors as follows:

- All members of the FAHA Board of Directors, and each member of a FAHA council, committee or section shall be screened upon their election or appointment to the position and then shall be re-screened every two (2) years.
- All FAHA employees shall be screened as a condition of their employment and then shall be re-screened every two (2) years.
- All coaches, instructors and other staff for any FAHA Team shall be screened as a condition of being selected for such position or shall have been screened by FAHA within the past two (2) years.
- All FAHA tournament site host volunteers that will have direct access to minor participants shall be screened as a condition of being selected for such position or shall have been screened by FAHA within the past two (2) years.

FAHA Screening Policies:

As a condition of its affiliation with USA Hockey, FAHA shall adopt a screening policy in compliance with the requirements set forth below:

- A. FAHA shall cause all volunteers and employees over the age of 18 to be screened prior to such volunteers or employees having access to youth participants. An approved screen shall be valid for two years. All previously screened persons must be re-screened every two (2) years.
- B. FAHA's screening policy shall require that all of the following persons be screened in accordance with this policy:
 - i. Members of the Affiliate Board of Directors
 - ii. Local program administrators
 - iii. House Committee Members
 - iv. Coaches
 - v. Team managers
 - vi. Officials
 - vii. Locker room monitors
 - viii. Team drivers
 - ix. Travel chaperones
