Northbridge Youth Lacrosse will welcome boys and girls, ages 6 to 15. We will field full teams in the boys U9, U11, U13, and U15 levels, two full teams at the U9 level. We will also have a Select Team competing in the MBYLL Select Program. Our girl's lacrosse program is rapidly growing, we are thrilled to be sponsoring three teams, one each at the U9, U11, and U13 levels. The rapid growth in the program and the enthusiasm for the sport of lacrosse in Northbridge has been overwhelming.

Your donation will help pay for a much needed SHED to store our equipment and supplies that are currently stored in various people's homes and garages. The lack of current storage requires volunteers to break down all equipment and tables after every home game and store them at various locations. A shed will be a time and resource savings and we have permission to place the shed on the upper High School field where our home games occur. Northbridge Youth Lacrosse is a 501(c)3 organization.

The players will be practicing Monday through Saturdays with most games on Sundays. Each team will have home games during the season which runs from April 1 through mid-June. For more information, contact Stacie Murray (murraysmurrays@msn.com) or Joe Consigli (jlconsig@gmail.com).

Please consider supporting our efforts to purchase the shed for Northbridge Youth Lacrosse, the fastest sport on two feet, by completing the information below. Thank you for your support.
