

TRYOUT PROCEDURE

Club tryouts for all teams shall be the weekend immediately following the Brockport Soccer Tournament. The Boys and Girls Directors will form a tryout committee, consisting of a Committee Chair and at least one but not more than three other club members, at least four months prior to club tryouts. The Board of Directors will set the registration and membership fees a minimum of three months prior to Club Tryouts.

Players must submit the Registration Form, Medical Release Form and Code of Conduct, along with a non-refundable tryout fee prior to being allowed to tryout for any team. Players wishing to be considered an "Exceptional Player" must follow the proper procedures as outlined in that document. All forms can be found on the Club website and will be available at the first tryout date. All players and coaches must sign in at the designated area prior to each tryout.

Tryouts will consist of two tryouts and players must attend two tryouts in order to be considered an eligible player for that team. If a player is unable to attend the scheduled tryouts, that player must contact the Committee Chair to make other arrangements. The Executive Committee upon recommendation by the Tryout Committee will select a neutral coach for each team who will assist the head coach in the selection process. A standard club player evaluation will be made available for coaches' use.

Within 48 hours of the last tryout date, the head coach will contact every player who tried out for the team, to advise if they made the team roster. Within one week of the last tryout date, the coach must submit a declared team roster to the Registrar. In order to form a team with the Club, this roster must consist of at least eleven players for U11 and below and at least fifteen players for U12 and above. Players placed on the team's roster must submit the entire membership fee to the Registrar within 30 days of the last tryout date.
