

SUFFIELD INVITATIONAL SOCCER TOURNAMENT
REGISTRATION DETAILS
JUNE 22 & 23, 2013

TEAMS WILL REGISTER ON SATURDAY BEFORE THEIR FIRST GAME AT ONE OF THE 2 REGISTRATION BOOTHS - YOU WILL BE ASSIGNED TO A REGISTRATION SITE. 2 LOCATIONS ARE BRUCE PARK HEADQUARTERS & MCALISTER SCHOOL.

EACH TEAM WILL NEED THE FOLLOWING:

1. A certified roster listing all players for the tournament. Jersey numbers must be either on the roster or written in for every player. The tournament will retain this roster and it will not be returned at the end of the tournament.
2. Guest player information - format depends on whether it is a CJSA team or an out of state team - and whether the guest player plays for the same club or a different club. If they are a CJSA team all players must be rostered (even guest players). If it is an out of state team, then they either need a tournament roster with every player or they need guest player forms for all players. If they are rostering players from a different team within their club they can either provide guest player forms or provide a copy of the certified roster of the team that the player usually plays for.
3. For players that are dual rostering at different age groups - those players must be listed on both rosters and must be identified at registration. Whichever team plays first must turn in the medical release so that we have it before the player steps onto the field.
4. A Suffield Soccer Club Medical Release for every player participating in the tournament (guest players and rostered players). Club medical releases will not be accepted. The tournament will retain these medical releases at the end of the tournament, they will not be returned to the team
5. A certified player pass for every player participating in the tournament (rostered and guest players). The only exception to this is for U9 players in states where passes are not used - these teams must provide copies of birth certificates to show age eligibility if the birth dates are not on the certified roster.
6. Certified coaches passes or managers passes for every adult that will be on the sideline with the players at games are also required for registration.
7. At registration each team must also provide two cell phone contact numbers in case we need to get in touch with the team for schedule changes, etc. The form will be available for completion at registration.
