

Hot Dog Day at Chatfield High School Baseball

☆ As the sponsor of the Hot Dog day, you or a representative of your company will have the honor of throwing out the first pitch.

☆ The booster club announcer will broadcast your generosity prior to the game (to wet the appetites of the attendees) and will again plug your company throughout the day. We want to make sure you are adequately recognized for your support of Chatfield and its baseball teams.

☆ You will receive a framed picture of the team with a thank you included so you can show off your Charger pride in your office or at your home.

☆ We will provide you with an estimate of the cost for hot dogs and buns a few days prior to the game so you can bring a check or cash to the game. The final tab will be settled up at the end of the game.

☆ You can bring your own canopy or just serve with us next to the concession stand. You are welcome to have other handouts or banners so you better reach the audience at the game.

☆ Thank you for your support and participation in Chatfield High School Baseball! ☆
