

Hello 7/8 grade Players and Parents,

We are very excited to send you this email reminder that your season is about to begin! **Your first practice is THIS SATURDAY, 2:30-4 PM at Marymoor soccer turf field #4.** We know a number of you may be out of town for mid-winter break this weekend, but for the rest of you, here is the game plan for this Saturday:

- **From 2:30-3 PM**, you will check-in, turn in signed code of conduct form***, have a coach verify you have the required gear (stick, protective goggles, mouth guard), and then listen to your coaches explain what they plan to accomplish with you over the next few weeks.
- **From 3-4 PM**, you will be practicing on the field.
- *****NOTE:** If player and parent(s)/guardian(s) didn't each turn in a code of conduct form at the Jan 19th kickoff meeting, we ask that you print out [this form](#) (link also at end of this email), get this signed by your child, yourself and your spouse/other guardian, and have your child turn this in at the start of practice. (You may all sign the same form, vs. 2-3 separate forms). We will also have blank forms on-hand, so you take care of this while your child is checking in. Having this form completed by your player and parent(s)/guardian(s) is "your child's ticket to their first practice". Thanks for your help in getting this done!

[Click here](#) for a map to all Marymoor fields (for soccer turf field #4, you park in lot K). Also, as a reminder, **"buddy requests" (kids you want to be on your child's team) are due by this Saturday (Feb 19th).** The process for this:

- Send buddy requests here: buddyrequests@eagleslacrosse.org
- Include in your request:
 - Player name
 - Parent(s) name, email, phone contact
 - Team grade level (3/4, 5/6 or 7/8)
 - Buddy(s) requested
 - Explanation
