This form must be used for consistency across the District

All managers/coaches shall be required to exchange the Pitching Record form prior to the start of each game. The form must indicate a sign-off by the opposing manager/coach of the previous game. Each team's manager/coach of the game must sign off on the opposing team form with respect to the pitchers of record for the game. If the opposing manager/coach refuses to sign the pitching record, the head umpires signature will be considered valid. Failure to abide by this regulation may result in forfeiture of the game and a two game suspension for the offending manager/coach. A second violation will result in the removal of the offending manager/coach for the remainder of the regular season and any post season games.
