

Monarch Little League Parents-

As we approach the end of the Monarch Little League season, it is time to start thinking about All-Stars and collecting the names of players interested in being considered for those teams. Each year, Monarch Little League sponsors multiple age group teams to compete in competitive Little League tournaments which are started at the District level against other local Little League teams (Lafayette, Westminster, Broomfield, Boulder, etc.,) Teams that win the District level advance to the state tournament (and beyond for the 12 year-old teams).

Please see the attached **2016 All-Stars Consideration / Commitment Form** if you would like for your player to be considered for All-Stars. This form must be turned into your coach or e-mailed to me by **May 26th**. Additional information regarding All-Stars can be found on the attached **2017 All-Star Information document**. These forms can also be found under Documents on the Monarch Little League (MLL) website.

The process that Monarch Little League utilizes in selecting our All-Star Teams is as follows:

1. Players who are interested in being considered for All-Stars submit the All-Stars Consideration / Commitment Form to their coach or MLL by **May 26th**.
2. Based on the number of interested players, MLL selects the Managers for the respective age-group teams.
3. In late May the All-Star Managers, along with the all of the regular season AAA, Majors and Intermediate coaches, meet to select each age group team. Players are evaluated based upon their ability and performance during the regular season. All players who are interested will be considered for the teams. There will be players who do not make the All-Star Team selection.
4. After the teams are announced all players who were selected and those that were not will be notified.

All-Stars is a fun experience for those players that are selected, and provides the opportunity to continue to practice, play and represent Monarch Little League against other local Little Leagues and hopefully beyond.

If you have any additional questions after reviewing the attached information, feel free to contact me.
