\$1,000**

**5th Prize
\$1,000**

You do not have to be present to win!

Proceeds from the fundraising raffle will help fund the New LAX Wall!

Mansfield Youth Lacrosse is engaging in a very exciting project to build a lacrosse wall near the high school football turf field. A lacrosse wall is a very important training tool for players of all ages, abilities and skills. MYL started talking about this 5 years ago. Working with the school department and administration, town officials, department of public works, local builders, and volunteers, we are able to move forward. Initially MYL will be funding the project but will need additional support from the community! This will be a collaborative fundraising effort by both boys and girls youth lacrosse. **Please help us with this project.**

**Please detach and return lower portion. Make checks payable to Mansfield Youth Lacrosse.
Mail to: Pam Burnham, 1 Carlow Crossing or Brenda Sacco, 26 Longwood Circle, Mansfield, MA 02048
You will receive an email confirmation.**
