Ian always pulled his weight, if the team was told to do 10 laps, Ian did 10 laps, even though his team mates might lap him several times. Not only did he always pull his weight, he did so in the true spirit of the game- with a big grin, truly enjoying the opportunity to be playing this great sport. Not only did Ian contribute to the team, but his hard work paid off, and he even scored a goal! As a result of his determination, attitude, and effort the club has created the “E” camp scholarship to be awarded every year to a deserving 8th grader. Criteria for this award are: the spirit that Ian showed- a can do attitude. Effort/hard work both in games and practice, a child that consistently does his best. A true “team mate” that carries their own weight and serves as an example to those around them of giving 100% all the time. A vote by a majority of the Officers shall determine the recipients of this award.

2. The Bob Weaver “Whatever it Takes Award” (2 awards) This is awarded at both the club’s annual ICE BOWL tournament to a coach or “helper” from another club, as well as to a parent, officer, or coach from the organization at the year end picnic. Background: Bob Weaver was one of the founding members of the Chargers organization who was instrumental in getting the program started in 2002. Bob Weaver literally did whatever was necessary to ensure the team had what was needed, most of these items were completely unglamorous, and were the important things, behind the scenes. Examples were: getting the team water, policing the sidelines and cleaning things up, stringing goals, ordering equipment, ensuring all the kids had whatever they needed (extra mouth piece, tightening chin straps,) building a fence at the park so cars would not get hit with balls, etc. basically anything that needed done (Whatever it took,) Bob did. As a result the organization has named its annual ICE BOWL lacrosse tournament after Bob- The Bob Weaver Memorial Ice Bowl. At this tournament, members of Bob’s family and other interested parties walk throughout the tournament and try to find an individual from an opposing team, that exhibits these qualities and award them a plaque entitled, called the “Whatever it Takes” award to thank those individuals behind the scenes, that are always there, instrumental in ensuring the overall team’s success. Characteristics for this award include: in with the team making sure they have everything they need, cleaning up the water bottles left behind, hauling water, fixing chin straps, stringing sticks, cheering loudly, big smile, enjoying the experience, willing to help whoever needs it, humble- will usually tell you “I am just a helper, the coach is over there . . .”

3. The club awards the Bob Weaver Whatever it takes to a deserving parent from the Chargers organization that displays the same characteristics as exhibited above…A vote by a majority of the Officers shall determine the recipient of this
award.

4. The “Honored the Game” award will be given to one team at the girl’s ice bowl tournament. This award will honor one team and coach who show consistent good sportsmanship on and off the field. Good sportsmanship will be displayed by not arguing or ‘trash-talking’ the referees or the other teams they are competing against, positive cheering for their own team, winning and losing in the spirit of the game. The referees of the day as well as the head coaches for each team will choose the winner.
