

# Moorpark Striders Youth Track and Field Scholarship Application

The Moorpark Striders Youth Track and Field program is a non-profit, all volunteer program. Our mission is to provide track and field opportunities to as many young athletes as possible in a fun, fair and safe environment.

Our basic policy is that parents/guardians should finance their children's registration fee to the "extent that they are able." In that our goal is maximum participation, a scholarship fund has been established in our area to help parents/guardians with the registration fee. A scholarship is based on financial need of families who are not able to pay for all or part of their child's registration in order to participate. Because there are limited funds available, the scholarships will go to families who demonstrate the greatest need while scholarship funds remain available.

## **Criteria:**

1. Parents/ guardians must complete the scholarship application form. (Information provided will be held in complete confidence.)
2. Families receiving first consideration will be those able to provide documentation that supports the financial need such as proof of current government financial aid or that the child is a participant of a free school lunch program (Title I student). In addition or as an alternative, Moorpark Striders will also give priority consideration to recommendations received from government agencies, social agencies or school administrators (such as school principal).
3. Scholarship applications should be submitted for approval to the Moorpark Striders Club President.
