

## PITCHING MACHINE & SCOREBOARDS

The home team is responsible for both the pitching machine and scoreboard.

### GOTTIER FIELD PITCHING MACHINE

- The machine is stored in the Minor League storage shed.
- There is an outlet in the ground behind the pitching mound.
- Remove the cover and plug into the outlet.
- Keep the cover in place while playing.
- It will take the machine a couple of minutes to get up to speed.
- After the game is over, put the machine, balls and extension chord back in the shed.
- **Lock the shed.**

DO NOT ALLOW A CHILD TO OPERATE THE PITCHING MACHINE.

### GOTTIER FIELD SCOREBOARD

- The console and data cable are stored in the Petersen Field storage shed. It is the larger gray panel in the box marked Gottier Field Scoreboard.
- Make sure that the wall switch in the Petersen shed is on.
- Both the electrical and data line outlets are in the 3<sup>rd</sup> base dugout.
- An adult must run the scoreboard.
- **If the score becomes very one sided, do NOT continue to put the score up on the board.**
- After the game is over, re-set the score, turn the console off and unplug the cables. NOTE – Turning the console off does not turn the scoreboard off.
- Return the console to the storage box in the Petersen Field storage shed.
- **Turn the wall switch for the Gottier Field scoreboard off and back on. This turns off the scoreboard.**

### PETERSEN FIELD SCOREBOARD

- Turn on the wall switch that is to the right of the storage shed door.
- Take the console and data cable out of the box marked Petersen Field Scoreboard.
- Plug the data cable into the console and into the jack inside the top of the 3<sup>rd</sup> base dugout.
- Turn the console on.
- An adult must run the scoreboard. NOTE – Do NOT play music during the game.
- If you want to announce the batters, you can plug the microphone into the console.
- **If the score becomes very one sided, do NOT continue to put the score up on the board.**
- After the game is over, turn the console off, return the console and data cable to the proper storage box.
- **Turn off the wall switch in the shed.**
- **Lock the shed.**
