One-Time Election Form

Player assignment is dictated by WSLA Handbook Section XII.B.

If a player attends her public school of record (the school designated by its residential school district) OR a private school, and that school does not have a school- affiliated program, then the player may make a one time election to play with either the program closest to her residence or the program closest to her school or educational setting. Once this election is made, a player may only change her program affiliation if her residence changes, she enrolls in a school that sponsors a team, or she is transitioning between 8th and 9th grade. No other exceptions will be considered.

This form must be submitted by the player and her parents; it must be received by WSLA prior to the end of the first week of the season.
