

MYBSA Game Makeup Policy

- Every attempt will be made to schedule postponed games in order of occurrence. In the event a team already has 3 scheduled games during week, a makeup game should be pushed ahead to a subsequent week.
- The preferred order of rescheduling will be as follows; 1) An open slot on a weekday night (except Wednesday), 2) Saturday morning, 3) Saturday afternoon, 4) Saturday night, 5) Sunday afternoon and 6) Wednesday evening.
- Saturday games will begin around 10 am with a second game immediately following. Saturday afternoon games will start at/near 2 pm with a second game immediately following. This schedule should allow ample time for the fields to be prepped prior to the afternoon session.
- All leagues will follow the same rescheduling protocol.
- To avoid potential Saturday morning conflicts with soccer in early May, Tball, Pinto, Mustang, Minor and Junior Softball games may begin during the afternoon session.
- All effort should be made to follow the attached schedule. From time to time, adjustments will be made. Deviation from this schedule should only be made when conflicts arise on a community level, not on individual basis.
- Sunday & Wednesday dates will only be used as a “last option” scenario. This would most likely occur towards the end of the season.
- If forced to schedule a team with two games the same day, every effort should be made to place the games back to back if possible.
