The Bristol Soccer Club is excited to offer TOPSoccer to the community. TOPSoccer (The Outreach Program for Soccer) is a soccer program developed through US Youth Soccer for young athletes with intellectual, developmental or physical special needs. This program provides individuals with the opportunity to learn and play soccer in a safe, nurturing, and self-empowering environment. The goal of the program is to enable these young athletes to grow and develop physically, socially, and emotionally with the assistance of coaches and youth mentoring buddies. TOPSoccer is designed to improve overall fitness, self-esteem, social skills while fostering the love of the game. Players are matched by abilities and age. Ages 4-19 are invited to play and encouraged to register for this inaugural program offered by Bristol Soccer Club. Registration is free and all players receive a team jersey and soccer ball.
