

Inside 68 Advanced beginner lacrosse

Introduction to Lacrosse Beginner and Advanced Beginner Programs- Boys and Girls age 6 to 12

The five-week program is designed to introduce the concepts and fundamentals of lacrosse to new players or players with less than 6 months lacrosse experience. The sessions will teach basic individual techniques of throwing, catching, cradling as well as introduce team concepts and positioning. Equipment will be available for purchase the first Sunday of camp. This is ideal for all beginners interested learning more about the sport prior to the Spring KCYLL Season

Coaches: Current KC Blue Lion Players recognized as area All-Stars at their respective high schools
