3. Boys Lacrosse – Update – Don Hall

- Don Hall provided information relating to the 7th/8th grade Lax program and how it has regressed under the GEARS. Don brought to the board the question of whether or not RAA would consider taking the over from GEARS.
- This year, as of 2/10, GEARS has had only 1 registrant. Currently RAA has 3rd, 4th, 5th and 6th graders up to U13.
- The board did express an interest in making this work to regain the 7th/8th grade program.
- Brian Bell had provided this follow-up information via email on 2/22/18 on the issue listed above. “Don and I had a productive meeting with GEARS representatives Barry Acker and Doug Knauss on 2/21, (along with Pete Rivera, who will be helping us with Lacrosse). GEARS was very gracious about handing over the 7-8 grade program to RAA. I think it’s fair to say that their concerns were primarily related to feeling confident that RAA going to carry it through over the long haul (remember we/RAA just requested GEARS take over girls lacrosse for us two years ago.) Joint statement is attached to the RAA minutes.”
