PURPOSES AND OBJECTIVES

1. To have fun, win or lose.

All head coaches must submit an application yearly, and be approved for participation by the SOGS Board of Directors. This program would not be possible without the volunteer coaches who unselfishly give of their time and talents, and the parents who support the program financially. Sportsmanship and equal consideration for all should be the utmost concern; however, because only one team can win, at times the underlying purposes of the program are forgotten by over-zealous adults. Harassment of others with malicious or disruptive intent will not be tolerated and will be dealt with by the Association. Abusive, detrimental, or foul language will not be tolerated. ***Chatter is not allowed. Positive cheers directed at your team and players is allowed. Chatter toward the opponent is not allowed. 1st offense – Warning, 2nd offense ejection of head coach.***

1. Positioning coaches are allowed.
2. Offensive coach pitcher – mound.
3. Offensive coach – first base and third base.
4. Defensive coach outside of both dugouts toward playing field.

Section 3. Pitching:

B. The coach pitcher may pitch anywhere within the 16-foot circle as long as his/her foot is on or in front of the halfway line.

C. The coach pitcher must always keep at least one foot within the 16-foot pitching circle when the ball is released. **Penalty:** Dead ball; add 1 pitch to count. If after the 4th pitch, batter will be declared out.

D. The coach pitcher is allowed to coach or talk to the batter, but must not leave the circle, before the pitch. **Once the batter becomes a batter/runner, the coach may continue to talk to the batter/runner as long as he/she is moving to foul territory and does not interfere with the play.** **Violation:** Removal of coach pitcher.

E. The coach pitcher will try to avoid interfering with the play after the ball has been hit by moving to foul ball territory, away from the play. If, in the judgment of the umpire, the coach pitcher intentionally interferes with the play:

1. The ball is declared dead.
2. The batter is awarded 1st base.
3. All other base runners will advance 1 base **if forced by the award of 1st base to the batter.**
4. The batting team is given an out.
5. No teams will be allowed to score because of the coach pitcher's intentional interference. Should a run be forced home, then that runner will be the OUT mentioned above in: Section 3, E.

The four outfielders will remain behind baselines until the ball has been hit. **Violation of this rule will allow the offensive coach to take the resulting play or advance the batter to first base. (Hit ball means fair or foul.)**

G. A play will be considered dead once the defensive pitcher has control of the ball within the 16 ft. circle, unless making a play. Should the ball be hit directly back to the defensive pitcher on the ground, and the pitcher chooses to hold the ball in the circle rather than make a play, all runners will be allowed to advance one base, or position, at the time the ball goes dead; or, in the judgment of the umpire, all play has come to a complete halt, then ball will be declared dead.

H. The defensive pitcher will give the ball to the coach-pitcher at the end of each play.

Section 4. Batter:

A. There will be a ball/strike count kept. A batter will have up to 5 pitches to hit a fair ball. Should a batter fail to hit a ball at the end of 5 pitches, the batter will then be called out. Should the batter foul off the 5th pitch, she will be allowed a 6th pitch. In the 7th pitch, if the batter has still failed to hit a fair ball, the batter will be called out. C. If runner fails to maintain foot contact with a base while the pitcher has the ball, a dead ball will be called and the umpire will issue a warning to the offensive coach for the first offense. Second Offense – the runner failing to maintain foot contact with the base will result in the runner being called out. **Only one** warning will be issued per team per game.

D. **Overthrow Rule (6&U Only):** On the first play after the ball is hit, if an over thrown ball goes to the fence in foul territory, the ball becomes dead. One base is awarded to all base runners from their position at the time of the throw. On any batted fly ball caught for an out, the first play is complete. Any throw would be a second play. Making an attempt on any runner as a result of chasing them back to or from a base or holding a runner to a base is considered a first play. Throwing the ball to the pitcher in the 16-foot circle to stop all play is not considered part of this overthrow rule. If the pitcher does not have control of the ball, the ball remains live and runners may advance one base with liability to be put out.

E. All players present must bat. In the event a girl has to leave, she will be skipped in the line-up. **There shall be no penalty.** If a girl shows up late, she will be added at the bottom of the line-up.
