

## Coginchaug Little League Meeting Minutes

6/16/16

**Attendees:** Renee Donlan, John Leonard, Andy Kleczkowski, Steve DeMartino, Rick Quirk, Stephanie Berry, Rick Mach, Scott Strang, Chris Meisenkothen. Mike Mancini, Joe Fournier, Deb Mariani, John Kelly.

### **Call to Order 6:08 pm.**

**Financials:** \$15,323.55 on hand. All bills paid. Bills expected: trophy bill (approximately \$2k) and all star uniforms (\$ unknown so far).

**Softball registrations** coming in for the 14-17 year old team. No uniforms provided. CLL will provide balls and equipment.

### **All Stars – 2017 12U**

CLL honored to host next year's boys state championship (12U).

Will require changes to the Atwell infield, with related expenses.

Scott Strang to look at Manchester facilities to see what it's like and what is involved.

We will meet in July, providing an opportunity to discuss this opportunity in more detail.

**Softball lights:** Benchwarmers group wants to put lights on the Varsity softball field. They can fund \$115k, will need CLL to add about \$25k. This can be part of the note, so the league doesn't need to raise \$25k all at once.

**Little League District 9:** Kyle Muncie elected to another 4 year term as Little League district president.

### **2016 All Stars**

#### Scheduling

- Team schedules are on CLL web site, other than 50/70. That will be added when known.
- Steady softball games in Durham starting June 24.
- Every team scheduled to work two shifts in concession stand.
- Board members needed to be shift managers. Particularly during Coginchaug games, so the girls' parents can watch the games.

Coaches need to bring checks to away games. Checks will be provided for the first two games, if a team progresses the manager will need to get more.

Concessions will buy a new grill before the tournament starts. Current one is in bad shape.

Senior State Softball tournament – CLL is hosting July 12-17.

**Summer baseball and fall ball** discussions starting. Summer will be pickup style, one night per week. July 6-Aug 24. Fall ball registration will go online soon. For fall ball, we need to decide if we want to enter teams into the Sting league.

Meeting adjourned at 6:43.
