 PARKING LOT

This is the second field on the left when you drive into the parking lot, and after the red building. **Please do not park on the grass areas**, and stay on the graveled lot. We will have a concession stand set up at the red building by fields 3 and 4 for fans and players to be able to get some snacks.

Games will be 20 minutes, running time, with a central horn for all fields. There will be 5 minutes between games.
