

New Fairfield Baseball Community,

The Diamond Club was established to support and enhance baseball in New Fairfield through donations, fundraising and volunteering. This includes raising money for assistant coaches, equipment, upgrading facilities, plus hosting events like the opening & closing banquet, senior day, senior gifts, Diamond Club College Scholarships and games at Dutchess Stadium for the High School teams.

Parent, player and community support through donations and volunteering is needed to continue our mission.

Contributing and supporting the Diamond Club's mission is completely voluntary. We all understand that absent such support, both financially and through volunteerism, the Diamond Club cannot continue providing for the program as we have done in the past.
