

### 1st step

- Start on the Schedule Screen.
- Click on the event you are responding to.

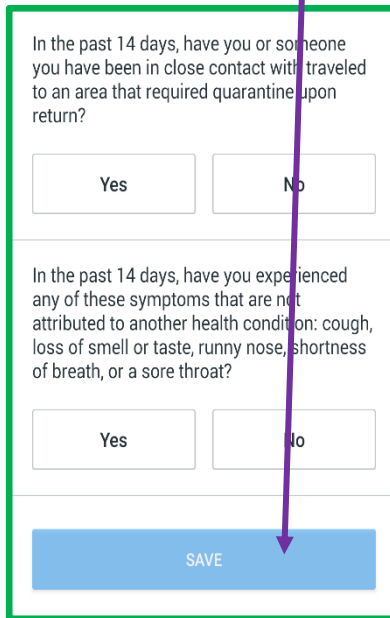

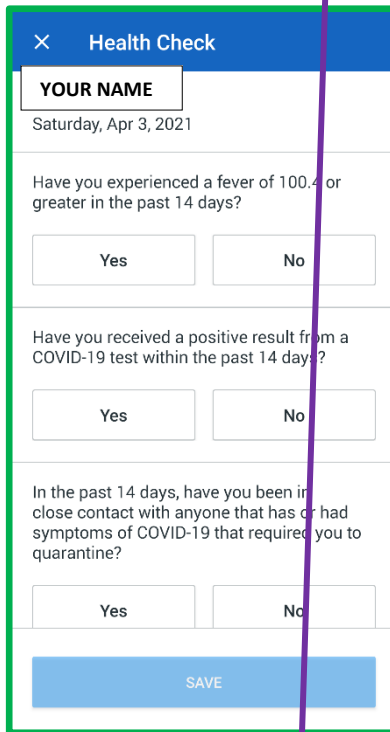

Health Check availability will be shown (12 hours before event)  
Click on it to start the questionnaire.

### 2nd Step

You must answer all five Health Checker questions  
Scroll down to see all.  
Once complete click **SAVE**.

### 3rd Step

Once your Health Checker has been entered the result will be shown back on the Detail screen.  
Your coach will also be able to see how many team Health Checks are incomplete (not visible by others).
