2017

circumstances, each respective town has the option to appeal to the FCFL to increase the mandatory split prior to the first game of the season. All other rules and policies will apply including the minimum play rule.

3. For The 3rd grade through 6th Grade divisions, when registration reaches 57, three teams must be formed. When registration reaches 80, four teams must be formed.
4. For The 7th and 8th Grade divisions, when registration reaches 60, three teams must be formed. When registration reaches 80, four teams must be formed.

6. Towns with multiple teams in a division will split teams so no one team will have any advantage in talent or experience. Each team must have the same number of new players within one. In addition, towns are required to reshuffle their rosters on an annual basis such on any one team a minimum of 25.0% (please note this is a required minimum, 24.9% is not sufficient) must be assigned to a different team than they were on the previous year. Each member of the team must have at least 25% different teammates not including new players then the previous year. By the Tuesday prior to the start of the regular season, the FCFL representatives sitting on the Policy committee will gather all their respective town's rosters to ensure that each team at each grade levels meets the new player distribution and minimum 25% shuffling requirement. The policy committee will then certified each team as complied. Any coaches who fail to comply will be first requested to comply by the Policy committee and given 48 hours to meet this requirement. If the requirements are not satisfied within 48 hours, the coach will be suspended for 5 games. A second request to satisfy the requirement will be given and if not complied within an additional 48 hours, a season long suspension of the coach or coaches involved will be instituted.
 - a. If multiple players stay back in a grade, they will be considered returning players and must be split equally between the team from the town in the division.

At the end of the season, the Policy/Rules committee will review all grades/ teams for balance. If towns with multiple teams are found not to be balanced (after a review and inquiry) then that town will be forced to shuffle 50% of the roster in the next season and possible sanctions including but not limited to a financial fine to the town, discipline to the coach

8. Each Member Organization must submit to the FCFL Web Coordinator, a final player roster including roster numbers for each team per division by the Wednesday before the first scheduled regular season game. Absolutely no additions, deletions, or changes of any kind will be permitted if this would require changing the number of teams for a town at a specific grade after this date unless the FCFL Board of Directors makes an exception.
9. Deadline for Player Registration:
 - a. The “Open Registration” period shall end on July 31st “no child should be left out” meaning all players meeting the registration deadline date will participate. However, should a head coach strongly feel that a player has a safety issue, it should be discussed with the member organization’s President and the player’s parents as to whether the player should continue to play. Aside from an identified and bona fide safety issue, no football registrant should be discouraged from playing tackle football.
 - b. After the “Open Registration” period has closed, a child registering for tackle football on or after August 1st will require approval from the FCFL if this requires changing the number of teams for a town at a specific grade. This will be handled by the FCFL in a case-by-case manner.

E. Field Passes:

All coaches, chain workers, play counters, and team photographer must have a field pass in order to be on the sidelines, track or any area inside the fence of the playing area. **2017
FAIRFIELD COUNTY FOOTBALL LEAGUE
POLICY AND PROCEDURES**

F. Filming Games:

No one, including coaches, parents or anyone else, shall be permitted on the playing field, including inside the end zones, during the conduct of any game for the purpose of filming the game. Persons filming such games must remain outside the boundaries of the field of play, including end zones.

The relay of any information by the prohibited means to someone other than a coach, who then passes such information on to a coach involved in the game, is specifically included within the scope of this policy.

H. Score Differential:

Head Coaches whose team wins by more than 32 points must submit a letter to the FCFL justifying the score. On the first offense in a season, the offending head coach's may be subject to disciplinary action. The second offense in any season subjects the head coach to a mandatory suspension from coaching duties for the remainder of the year, and not less than 5 games (i.e., the suspension can carry over to the next year). If the first game of the day is canceled, all games that day will be canceled. Games that are rained out or canceled need to be rescheduled by no later than Wednesday of that same week. Should a rainout not be rescheduled by Wednesday, both teams will be awarded a loss. In the event that a team does not show for the rescheduled game, that team will receive a forfeit.

J. Play Counters:

It will be mandatory that each team has at least two play counters and that all play counters from both teams are together outside of the coach's box on the 20 yard line of the home team sidelines in the first half and the visitor sideline in the second half of the game. - 1. Consequences for teams that fail to meet minimum play requirements will result in an automatically instituted head coach suspension of not less than 1**

2017
FAIRFIELD COUNTY FOOTBALL LEAGUE
POLICY AND PROCEDURES

game. This can be reviewed and a longer suspension can be assessed on a case-by-case basis. Please reference the FCFL Constitution: Article 10, Penalties and Sanctions. If Play Counters are not together, and there are grievances, both HCs will be responsible and subject to review of FCFL Constitution: Article 10, Penalties and Sanctions.

In the event the season ends before the 5th game of the suspension, the offending person remains on suspension until 5 complete games have been missed. Any coach or parent who is suspended for the season will automatically come under review by the FCFL board.

L. Unsportsmanlike Penalty:

For all grades: If an unsportsmanlike penalty is assessed, the player will be immediately removed for a minimum of one play. Two unsportsmanlike conduct penalties by the same player in the same contest will result in immediate ejection, suspension of the following game and a review of the player by the town.

M. Reporting of Scores:

When reporting scores for the current season. Head coaches MUST record all personal fouls on game day. Identify team, player number, and the foul(s) called. This policy was added for safety purposes and as a means to collect data that may identify trends and/or habitual offenders. The "Penalty Reporting Form" can be found under the left menu on the FCFL website called "Online Forms." It is the responsibility of both the Head Coaches to report Player Penalties by using the online form.

2017
FAIRFIELD COUNTY FOOTBALL LEAGUE
POLICY AND PROCEDURES

XI. SCHEDULING

In completing the schedule every year, the following are the exact considerations that will be given:

- A. Any head coach that head coaches two or more teams will be given a schedule without conflicts between his teams.
- B. Please note this does not include assistant coaches or coordinators, etc.
 - 1. High School Coaches who head coach FCFL teams will not be scheduled for games during their High School games +90 minutes of each side of the HS games.
- C. Religious requests – A town has the option of requesting either Saturday or Sunday preference for a single team per grade for the season or (not both) for all teams for up to 2 weekends a year. The day preference will be honored for at least 7 regular season games on the preferred day. Any town that makes such a request will no longer be guaranteed 3 home games for any team in that grade, since often it is the non-preference team's schedule, which has less home games. ***All Saturday or Sunday preference requests and game modifications are subject to field availability.***
- D. Home Games – Every team from a town that does not make a Saturday/Sunday preference request and provides at least 3 time slots on both Saturday and Sunday for 7 of 8 weeks during the regular season will be guaranteed to have a minimum of 4 of 8 or 3 of 7 home games.
- E. No team will have more than 6 regularly scheduled home games.
- F. Field availability – Every town will give complete field availability by August 20th. A town may make a preference as to what site it prefers to fill up first if they have two sites.
- G. Two (2) game scheduling rule – games will be scheduled to attempt to ensure that there are at least back-to-back games scheduled in successive time slots to facilitate the referees' schedule.
- H. Early morning games – games will not be scheduled before 8:00AM. The 8:00PM time slot will be the last spot filled.
- I. The Board members in charge of scheduling shall only accept requests from that town's member of the Scheduling Committee. Member towns should inform and then evaluate internally each request before passing on a request. All requests forwarded should be consistent with the above considerations.
- J. Any town that loses field availability after the Thursday before the regular season starts will no longer be guaranteed the minimum number of home games.
- K. Schedule change requests made after the Thursday before the regular season starts must abide by the following procedure:

2017
FAIRFIELD COUNTY FOOTBALL LEAGUE
POLICY AND PROCEDURES

1. The requesting coach advises his town's Scheduling Committee member via email;
 2. That Scheduling Committee member gives the coach via email permission to seek the change;
 3. The requesting coach may then request the changes from the opposing coaches affected;
 4. If the opposing coaches approve, they must inform their town's Scheduling Committee member and receive his approval via email.
 5. Once these steps are completed, the trail of approval emails must be sent to the Chairman of the Scheduling Committee for final approval and, if given, the official schedule will be changed and promulgated via the FCFL website.
 6. Any change will eliminate the 3 home game minimum requirement for the requesting team.
- L. Towns will use a consistent team naming convention for each team in every grade level: 1st team in a grade that team is always "A" color/name, 2nd team is always B color/name, etc.
- M. No team in the 6th, 7th or 8th grade shall be permitted to play 2 games within 72 hours. No team in the 3rd, 4th or 5th shall be permitted to play 2 games within 48 hours.
- N. 14. Seeding for playoffs:
1. Win-loss percentage (ties count as half a win and half a loss)
 2. Head to Head Result
 3. Record vs common opponents
 4. Coin Toss
- O. Two (2) divisions for each grade group so that any towns with 2 teams will have one team in the NFC and one team in the AFC. In cases where there are 3 teams per town, 2 would have to be in the same divisions. This should be done annually and randomly so that teams are not consistently in the same divisions.
- P. During the playoffs each division's 1st round games would be scheduled so there would be 4 teams remaining per division for the 2nd round. At the end the 2 division winners would play each other, except in same co-town championships.

XII. INJURIES - EMT COVERAGE

- A. Host organizations must ensure that EMT or Emergency Medical Service personnel are present at their fields during every game. The EMT must have radio access to ambulance service.
- B. Coaches are to cooperate fully with EMTs, recognizing that any injury should be considered potentially serious. The Head Coach (or his duly qualified designee) shall

2017
FAIRFIELD COUNTY FOOTBALL LEAGUE
POLICY AND PROCEDURES

immediately attend to a downed player, solicit the opinion of the referees with regard to the circumstances related to the injury, and signal to the attendant EMT if assistance is required. As soon as the EMT arrives, the EMT will be responsible for the disposition of the injured player.

- C. An injured player must sit out a minimum of one (1) play.
- D. Injured players will be permitted to return to the game based on a decision made by a medical doctor, if present, or examining EMT.

XIII. GRIEVANCES AND PROTESTS

- A. ***Intra-Member Organizational grievances*** will be governed by its member organizational elected Board of Directors. The elected Board will put in place procedures on how to investigate and resolve these grievances including but not limited to forwarding to FCFL for final resolution. Resolutions must be made in a timely manner.
- B. ***Inter-Member Organization grievances*** will be governed by the FCFL Board of Directors and reported immediately to its President. The FCFL President will then direct the Rules Committee or Policy Committee to investigate the incident (i.e. interviewing parties involved and reviewing all statements) and submit their findings and recommendation in a timely manner to the FCFL Board of Directors for a final decision. Notice shall be given to all involved parties at which time they may request a hearing before the FCFL Board or designated Committee thereof. All FCFL Board of Director decisions shall be final.
- C. ***Game Protests*** – Only protests concerning misinterpretation and violation of the rules of football or policy of the FCFL will be considered. A protest must be made and announced to the opposing coach, and either the referees or field commissioner prior to the end of the game for it to be considered. Protests involving the judgment of an official will not be considered. Legitimate protests must be submitted in writing or e-mail to the chairman of the Rules Committee and his FCFL representatives by midnight of the day of the game being protested. The Rules Chairman will immediately forward the written protest via e-mail to the opposing head coach, and his FCFL representatives who may file a response within 12 hours to the Chairman. Both the protest and the response will be forwarded via e-mail to the involved head coaches and the rules committee. No later than 36 hours after midnight of the day of the game, the Protest Committee must meet.

Protest Committee Hearing format: The protesting head coach will first submit an additional written brief followed by a maximum 10-minute verbal explanation of his protest. The Opposing head coach will then submit a written brief and then will be allowed a maximum of a 10-minute response. The committee will then be allowed to ask questions to both head coaches. After which the opposing coach will be allowed to make

2017
FAIRFIELD COUNTY FOOTBALL LEAGUE
POLICY AND PROCEDURES

a 5-minute summary, to be followed by a 5-minute summary by the protesting coach. The coaches will then be excused and will leave the premises. The committee will deliberate immediately after the coaches are excused and render judgment as ruled by the majority. The involved town's committee members do not have to recuse themselves. If a committee member coaches or has a son/daughter who is on one of the involved teams, he must get a replacement from the FCFL board from his town who is not involved with an involved team. The Committee's majority ruling will be final and binding and will be e-mailed to the involved head coaches, their town presidents and the entire FCFL board by midnight of the hearing. The Ruling Committee has the power to order a full or partial replay of a game, forfeit of a game or rule against the protest.

XIV. PENALTIES

May include forfeiture of game; suspension of member organization, team or individuals (player, coach or parent), and expulsion from the team and/or the League

XV. POLICY AND RULES CHANGES

- A. All Rules and policy documents are to be reviewed annually by the FCFL committees. All Rule or Policy changes voted on by the FCFL board if approved will be immediately implemented. If denied, that rule or policy cannot be brought up for another similar modification for 22 months.
- B. Exceptions to rule or policy:
 - 1. A team may request an exception to a rule or policy;
 - 2. The exception will only be allowed if 75% of the member towns approve such an exception.

XVI. SCHEDULING AND POLICY GUIDELINES

- A. No intra-town games for any teams when there are less than 3 teams from a respective town in a specific grade.
- B. When intraweek games occur, no team will be required to play without a minimum of two calendar days rest. In the event that more than one game is being played in a calendar week, teams will be allowed an additional four hours of practice time to prepare for the additional game.

POLICY AND PROCEDURES

XVII. POINT OF EMPHASIS AND POLICY REGARDING NECK, HELMET AND HEAD CONTACT. KEEP THE HEAD OUT OF FOOTBALL

- A. ***Illegal helmet contact:*** Any intentional or unintentional contact including blocking, and tackling by an offensive or defensive player to any part of an opponent's head or neck is prohibited and should result in a 15 yard penalty. Two such penalties in one game will result in automatic removal of the offending player for the remainder of the game and the next game.
- B. ***Illegal use of helmet:*** Any intentional or unintentional contact including blocking, tackling or rushing by an offensive or defensive player using any part of his helmet as the initiation point of contacting an opponent is prohibited and should result in a 15 yard penalty. Two such penalties in one game will result in automatic removal of the offending player for the remainder of the game and the next game.
- C. ***Referee point of emphasis:*** The FCFL board emphasizes that there should be a penalty called any time the head or neck is contacted by any player. The player regardless of offensive or defensive who initiates the contact should be penalized. If a determination can't be made who initiated the illegal head and neck contact, then both players should be penalized. The referees should at the time of the penalty track in writing the number and name of the player(s) penalized. If a player gets two such penalties they should immediately be removed and again reported on the FCFL website. Referees should not hesitate to penalize or eject a player who violates these rules. It is considered critical in the teaching of proper technique to both the player and the coaches. It is expected that initially there may be a lack of understanding of the strictness of the calls, but by consistently calling the penalty players and coaches will learn that there is no tolerance to any contact to the head and neck area, nor any contact using any part of the helmet to initiate the contact. The FCFL board would rather the referee err on the side of calling a borderline penalty, than not calling the penalty. Even contact that is deemed unintentional should be penalized.
