These pictures will include team history, news, and marketing use. Many times however, CDGS will want to identify a student in a picture or publish the athlete's name. CDGS may want to acknowledge those athletes who participate in a league activity or deserve special recognition. In order for CDGS to publish a picture with an athlete identified by name, one of the athlete's parents or guardians must sign the consent form below. Please note that athletes' names on the website may state their first name. I understand that my child may be identified by first and last name, as the author of said work. This consent will remain in effect for the duration of my athlete's affiliation with CDGS.
