Discussed boards thoughts on the league proposal to “mandate” teams be created in a skill based manner. Board asked that League Rep vote against this proposal so we can continue in our manner that works well for Harvard.

League Rep was also asked to bring up the age of our U18 team and see what League thinks might happen for a U16 flight.

Steve reported he was going to Philly on January 15 to attend the The NSCAA Convention, and the US Youth Soccer Workshop was also held at the same time.

Harvard will host a Challenger Tera - Brazil Camp

F Course will be held with 12 coaches 5 out of town.

Keith will send out Carl’s discipline document for comment

Club needs to better communicate to families that in most situations kids play by age, not by grade.

Austin was asked to look into how to make the 11v11 nets more secure and return to the board with some proposals

Peter said he would bring a budget to the next meeting for the year

We discussed the amount of money to donate to the church for each meeting and settled on \$20/month. Also agreed that Peter would ask for prepaid funds back from town.
