

Health Check

The TeamSnap Health Check needs to be completed prior to each clinic for each child attending the clinic. It opens up **8 hours before the event** (clinic) and can be completed on a mobile device or computer via your TeamSnap account. To complete the Health Check:

- 1) Login to TeamSnap and find your way to the corresponding event
- 2) Click on the My Health Check to open the questionnaire

- 3) Click on Start to commence completing the questionnaire

4) Answer each of the questions accurately for your child

A screenshot of a mobile application interface titled "Health Check". At the top left is a "Cancel" button. The form contains three questions, each with "Yes" and "No" response buttons:

- Question 1: "Have you experienced a fever of 100.4°F or greater in the past 14 days?"
- Question 2: "Have you received a positive result from a COVID-19 test within the past 14 days?"
- Question 3: "In the past 14 days, have you been in close contact with anyone that has or had symptoms of COVID-19 that required you to quarantine?"

5) Save your answers

A screenshot of the same "Health Check" form. The "No" button for the first question is highlighted in blue, indicating it has been selected. A large blue "Save" button is now visible at the bottom of the form. Below the "Save" button is a small informational note:

ⓘ The questions above are based on information provided by the Centers for Disease Control and Prevention. [Learn More.](#)

- 6) Your Health Check is now complete. If cleared, you may drop off your child at the clinic. If not cleared please do not drop off your child

Clinic coaches will be confirming completion of the Health Check before starting the clinic. Thank you for adhering to this process.
