

The following are the team assignments for the U12/PeeWee division. These assignments are reflective of the evaluations, and does not necessarily constitute final team formation, which is contingent upon those who commit to the Enfield Hockey Association (“EHA”) for the 2021-2022 season.

EHA reserves the right to adjust as needed after the commitment window has closed in order to field properly sized teams for the season.

Thank you for evaluating with EHA and we hope you choose to commit and join our hockey family for the 2021-2022 season.
