

Frankfort Girls Softball is a not-for-profit softball league consisting of approximately 300 local girls, ranging in age from 5 through 23 years old. We are a parent-run volunteer organization. Our objective is to teach the principles of fair play and sportsmanship to our community girls, while promoting a feeling of pride and identity in our young women through the game of softball. We depend heavily on the support of the local business community to allow us to pay for such things as uniforms, equipment, umpires and clinics. Your business will not only be viewed by the FGS teams but also other neighboring towns teams. Our teams compete against *Frankfort Square, Orland Park, Homer, Mokena, Lockport & Tinley Park*. These other communities will also come to our home fields to play.
